CAR HELMETS FOR KIDS? Why This Attorney Says It's Crucial

www.HeadsInHelmets.com (912) 920-2000

Attorney Howard Spiva, as a serious injury lawyer for 30 years, has seen 100s of preventable injuries to children. He is on a mission to eliminate traumatic brain injuries to children in car wrecks -- by educating parents and providing **FREE** car safety helmets to kids.

SUBJECTS EVERY PARENT SHOULD KNOW

- Brain Injury Awareness & the importance of protecting kids
- How helmets protect kids from TBI (Traumatic Brain Injury)
- Legal implication: Should they be mandatory in every state?

Did you know?

➤ **Children's injuries are no accident.**

Almost every dangerous activity that children participates in, they wear a helmet: skateboards, bicycles, baseball, football, Karate, motorcycles. Even bull riders wear helmets. It only makes sense that they would be safer wearing a helmet in a car.

➤ **Two facts highlight Helmets are needed:**

According to the Center for Disease Control (CDC) and the Pediatric Association:

1. The number one cause of traumatic brain injuries in children under age 5 is in car wrecks (car safety seats).
2. When helmets were mandated for bicycles, traumatic brain injuries went down by 75% and fatalities went down by 85%. Consider that 85% of deaths were eliminated!

➤ **Race car drivers wear helmets in cars!**

Why shouldn't children? Helmets save lives!

➤ **We save kids one helmet at a time!**

Our charity and law firm, Spiva Law Group, (www.spivalaw.com) attend community events and educate the public and we giveaway helmets to kids. Our program is *Helmets for Life*. We replace the helmets for FREE, as the child grows. My goal as a lawyer is to eliminate TBI cases so I NEVER see another brain injured child.

➤ **We make helmets cool!**

We are not seeking a legal mandate but only to educate and show kids HELMETS ARE COOL.

➤ **Kids see helmets are cool!**

Famous Skateboarders, Kids doing tricks on bicycles, Sport celebrities, Military, Police officers on horses, on motorcycles, Fireman, Super heroes (Thor, Captain America, Mutant Ninja turtles, Iron Man, Power Rangers, Storm Troopers, Darth Vader). We carry this message to the community at: Public Events, Schools, Churches, Health fairs, YMCA and Parades.
